

Computer Proficient Volunteers Required to Help Support our Sporting Events

Are you technically minded and interested in sport and volunteering either once or twice a year or on more of a regular basis once a fortnight? If so, we need your support for our sports events!

Games Management System (GMS) Volunteers Needed

The Games Management System (GMS) is a software package used by Special Olympics worldwide to operate and manage our sports events. The programme can complete tasks such as registering athletes for sports events and games and generating various reports and results etc. GMS is a user friendly software package – so, no computer programming/coding required.

Two Volunteer Options:

Option 1

GMS Support Centre Volunteer: Once a month or once a fortnight can you spare two –three hours an evening to work on GMS from our Office in 4th Floor Park House, North Circular Road, Dublin 7

Option 2

GMS Sport Events Volunteer: Once a year can you spare one or two full days to attend a Special Olympics Event.

If you are interested or require further information please contact Aoife Reilly/Patrick O'Reilly on 01 629 6999 or email aoife.reilly@specialolympics.ie / Patrick.oreilly@specialolympics.ie
