

## Inter club event between Beech Hill Table Tennis Club and Waterford SO Table Tennis

Here are some photos of the inter club event between Beech Hill Table Tennis Club and Waterford SO Table Tennis held in Waterford IT Arena on Saturday 04 March last. A total of 16 players from both clubs competed in singles matches with Beech Hill emerging as overall victors. Waterford SO organised a very impressive day for all in the wonderful new WIT Arena, including a meal afterwards for both sets of players. The event was held as part of the preparation of players for the forthcoming Regional Table Tennis Competitions on 01 April next.

Can I draw your attention to the last photo, which shows a mixed abilities match played on the day as a demonstration match. The doubles match involved one mainstream and one SO player playing together for each club. This is the future!

If you want your event photo's displayed, send them (4 or 5 photos) to [munvol@specialolympics.ie](mailto:munvol@specialolympics.ie) with a short piece explaining what and where the event was.
