

# *Make your own* **SUPERHERO** *mask*

All great Superheroes need an awesome mask to keep their identity a secret when up against the bad guys!

Here's how to make the mask in a few easy steps  
– adult supervision is advised!

- Print off your mask templates onto card or thick paper, or print onto normal paper to use as a template to cut around.
- Cut out the masks to shape as desired.
- Decorate the masks to make them stand out!  
You could use pens, pencils, glitter, stickers etc.
- Once dry punch a hole in both ends of the mask.
- Cut a strip of elastic long enough to go around the wearer's head and loop through the holes and secure.

That's your mask done!  
Smile and take a photo in your best Superhero pose!
